Brighouse Flood Alleviation Scheme

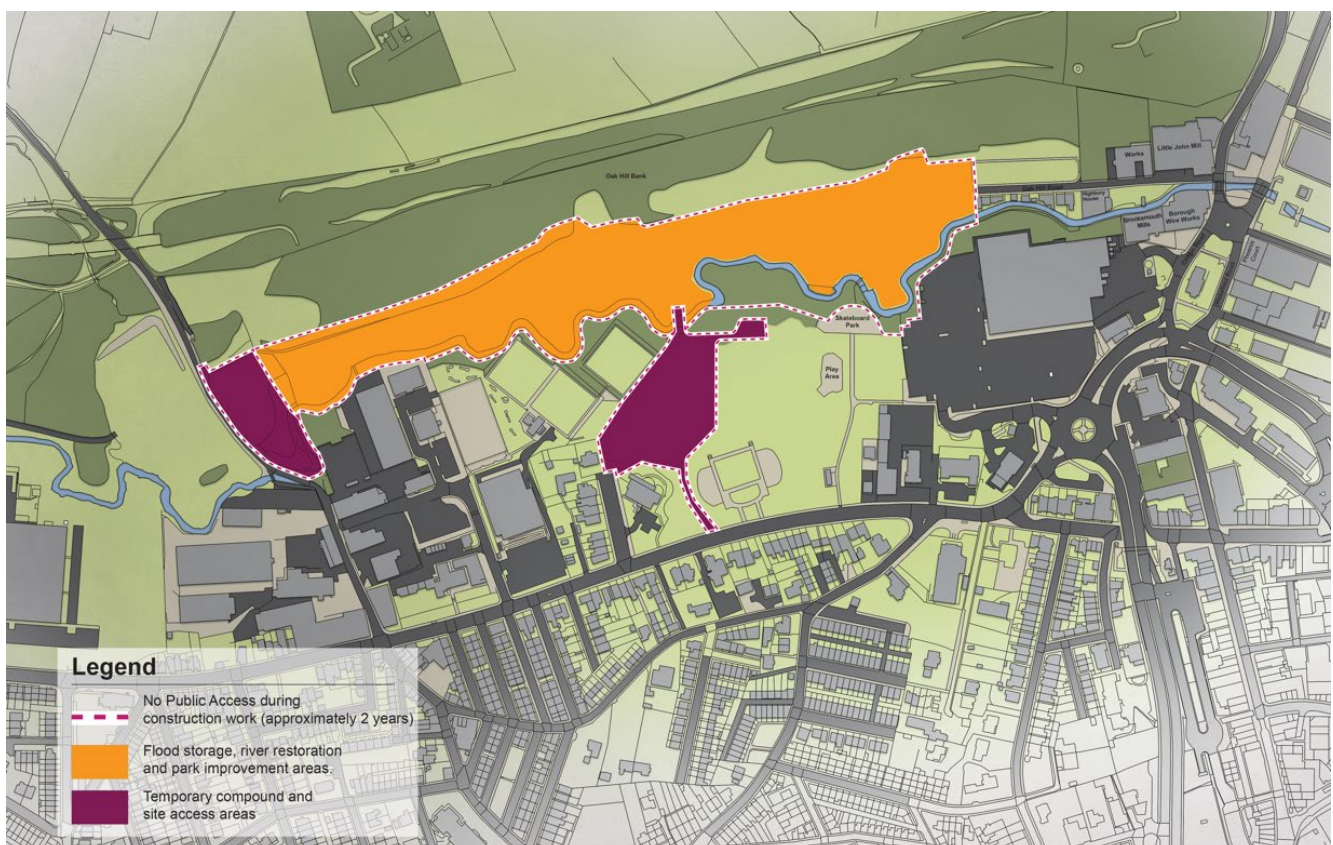

February 2024

Wellholme Park – Partial Closure from March

The Environment Agency is working with Calderdale Council to design and construct a Flood Alleviation Scheme to improve resilience to flooding in Brighouse.

Construction work in Wellholme Park is due to commence this March, which will mean a large proportion of the park will be closed to the public. The work will take approximately two years to complete.

The map below shows where the work will be taking place in Wellholme Park and the areas where there will be no public access for the duration of the project.

For more information about the Brighouse Flood Alleviation Scheme, scan the QR code or visit www.eyeoncalderdale.com – Projects / Brighouse FAS pages. You can sign up to receive updates about the scheme via email, please send the word 'subscribe' to BrighouseFAS@environment-agency.gov.uk
