

Mytholmroyd Flood Alleviation Scheme

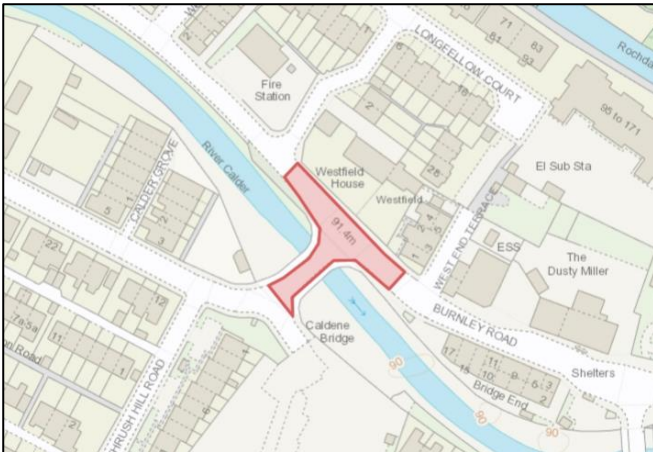

Keeping you informed

April 2024

Upcoming work on Burnley Road & Midgley Road

Starting on Monday 8 April (next Monday) we will be carrying out repair work to three manhole covers, one at the junction of Burnley Road and Longfellow Court, and two at the junction of Burnley Road and Midgley Road in Mytholmroyd. The work is expected to continue until Thursday 18 April.

Temporary three-way traffic lights will be in place between Monday 8 April and Friday 12 April for the manhole repair at the junction of Burnley Road and Longfellow Court. Two-way temporary traffic lights will be in place between Friday 12 April and Thursday 18 April for the manhole repairs at the junction of Burnley Road and Midgley Road. The temporary lights will be manually operated between 0700hrs and 1800hrs each day. See the plans below of the affected areas.

No bus stops or pedestrian routes will be affected. A temporary pedestrian crossing will be in place of the crossing next to Caldene Bridge. We apologise for any inconvenience this necessary work may cause.
